There are 4 waves of sponsorship. Please check your choice below.

A check for \$100 provides "H₂O Sponsorship". This gets your company name on an 18 inch by 12 inch sign. This sign will be placed on the inside of the walk trail.

A check for \$300 provides "Fresh Water Sponsorship" which will get your company a banner with its name on it which is 2 ft. by 8 ft.

A check for \$600 provides "Spring Water Sponsorship" which will sponsor the registration tent or the Water tent.

A check for \$2,000 provides "Aqua Blue Water Sponsorship" which will get your company's name on all the T-shirts as well as on all the advertising.

There are other ways to contribute to Water Without Borders; we need 40 cases of bottled water, 2 EZ up Tents, 1 small generator, two large coolers, and 25 bags of ice.

We thank you for your help and support. Water Without Borders is a 501C3 corporation so your contribution is Tax deductible.
